Monthly utility bills are mailed by the 15<sup>th</sup> of every month and due by the 5<sup>th</sup> of every month or the next working day if the 5<sup>th</sup> falls on a weekend. If the bill is not paid by the due date, you will be assessed a 10% late fee. **Late fees shall not be refunded unless approved by the Utility Commission.**

#### Online Billing/Bill Pay

Janesville Utilities uses PSN (payment service network) for on-line services for your utility bills. You can pay electronically by credit card, debit card, check, or savings. Go to [www.janesvillemn.gov](http://www.janesvillemn.gov) for links to these services. Payments accepted by cash, card or check at Janesville City Hall.

**If you pay your bill online through PSN on the due date (5<sup>th</sup>) you must pay before 7:00 PM to avoid late fees!**

*(Meter Deposit refunds will be applied to your account after 12 consecutive on-time payments.)*

Janesville Utilities reserves the right to require a deposit for existing customers without an existing deposit when moving to a new service address if the customer has not established a payment history of twelve (12) consecutive on time payments.

Janesville Utilities reserves the right to require larger deposits at our discretion when a customer has been identified as a credit risk for failing to pay off a previous utility account with Janesville Utilities or failing to make twelve (12) consecutive on time payments on a utility account with Janesville Utilities. Deposits are refundable after 1 year of continuous, on time payments.

A \$25.00 fee is charged for all non-sufficient fund (NSF) checks returned from a bank, + a \$4.00 fee will be charged for any out-of-town checks. If using on-line billing, PSN will charge an NSF fee of \$35.00.

If your utilities are disconnected for whatever reason, there is a \$100.00 reconnect fee and that will be payable with the past due amount + current charges (in full) before services can be reconnected.

You can view Janesville Utilities rate sheet online at the City of Janesville website ([janessvillemn.gov](http://janessvillemn.gov)) or request a copy of the rate sheet at City Hall as well as located on the city website.

**Please notify Janesville Utilities when you sell your residence/property. The Utilities will need to do a final meter reading.**

**City of Janesville History Walk**

The History Walk has been assembled for the purpose of informing some and reminding others of Janesville’s history. In addition to providing education about our city’s history, we hope it provides some exercise for participants. The entire trail is 2.4 miles long; however, other paths may be chosen. There are ten utility boxes and 34 pictures. It is hoped that the photos will encourage our citizenry to appreciate our past and to help provide a general sense of community pride.

A *Special Thank You* goes out to the following organizations for providing funds to make our history walk possible: Consolidated Communications and Janesville Matters.

Scan the QR code to view the brochure that will help to explain, learn and explore Janesville’s History through photos.
